

Says Dodd's Kidney Pills Wonderful Remedy

Mrs. Della Olson, of New London, Wis., like many others, knows after experiencing the use of Dodd's Kidney Pills that they are unexcelled. Here is what Mrs. Olson recently wrote us:

"I suffered with rheumatism for years. There was a gravel deposit in the urine and I had frequent headaches. I had dark circles around my eyes and was always tired. I bought a box of your Dodd's Kidney Pills and am glad I did, for I secured quick relief and think they are a wonderful remedy."

Mighty few people realize in time that kidney trouble is making its advances upon their health. They put off treatment—they say, "Oh, I'll be all right in a day or two." And the malady tightens its grip. Result: Bright's Disease, hospital treatment, doctors' bills—often death.

When you have backache, dizziness, pain in joints, stiffness in stooping or lifting, spots before the eyes, sediment in secretions, rheumatic pains, or swollen joints, immediately start toning the kidneys by the regular use of the remedy endorsed by hundreds of users—DODD'S Kidney Pills.

If your druggist does not carry these, order direct, sending us 6c in stamps and mention your druggist's name.

Thankfully yours, William Hansen, West Park, Ohio, care P. O. Route, Box 122."

Peterson says: "I am proud of the above letter and have hundreds of others that tell of wonderful cures of Eczema, Piles and Skin Diseases."

A Cheerful Round.

"Do you go to the Green?" a passenger boarding a trolley car in a New England city asked the conductor.

"Yes," said the conductor smilingly. "I go to the Green twenty-five times a day, and to two cemeteries, three hospitals and an old ladies' home."

ONLY WAY ASPIRIN SHOULD BE TAKEN

Look for name "Bayer" on tablets and follow directions in package.

The Bayer Company, who introduced aspirin, tell in their careful directions in each package of genuine "Bayer Tablets of Aspirin" that to get the best results one or two glasses of water should be drunk after taking tablets.

"Bayer Tablets of Aspirin" to be genuine must be marked with the safety "Bayer Cross." Then you are getting the world-famous Aspirin, prescribed by physicians for over eighteen years.

Each unbroken "Bayer" package contains proper directions for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Neuritis, and for Pain generally.

Handy tin boxes of twelve tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacturing of Monocetacidester of Salicylic Acid.—Adv.

Be up and doing—but be careful what or whom you undertake to do.

'Blond Lady' as Chief of Spies

Beautiful Woman Who Beguiled
Unwary Into Giving Secrets
to Germans.

RELATIVE OF VON HEINRICH

At Her Headquarters in Antwerp She Collected Information Which Was Forwarded to German Headquarters—Had Two Accomplices.

London.—Many details about the life of the "blond-haired lady," who served as a German chief of spies in the war, have been given by a colonel in the French counter espionage service who knew her well, according to a London Times Paris correspondent. This colonel, who was then a captain, spent some months during the war at Antwerp and saw most of the people who visited the lady, for it was his duty to supply these visitors with false information or true information when too late to use. The chateau, which the witnesses at Lille believed to be outside Antwerp, was in reality in the center of the city. It was a hotel in the boulevard de la Loi, a majestic building which those who were brought blindfolded in a motor car with drawn blinds might well have taken for a chateau in the countryside.

Related to General von Heinrich. The blond-haired lady was certainly a relative of General von Heinrich, though the exact relationship still remains uncertain. She was a fine woman, being slim and unlike the majority of her fellow countrywomen. The Frau Doktor, as she was addressed by her colleagues, spoke French without a trace of a foreign accent and showed by her manner and dress that she had lived for a long time in France, and probably in Paris. She used to address her agents with a

French cigarette between her lips, leaning back seductively in a large armchair. She never spoke harshly, but, on the contrary, in sweet, even tones, no doubt gaining much which her masculine confederates of the German general staff lost through their air of brutality.

Accomplices of the German Spy.

Two men lived in the "chateau" with her, a man who posed as an English fop with a monocle pretending to be a journalist on a London paper, and an officer of the German G. H. Q. The fop, the French colonel states, was the proprietor of a hotel in the same boulevard de la Loi, and the German officer, Keffer by name, had as his last duty the control of the information upon the allies' submarine bases at Calais and Dunkirk, and the numbers and changes in the north of France. The blond-haired lady, besides using part of her time in beguiling poor unfortunates into betraying their countrymen, collated her information before forwarding it to Germany.

Noah, Not Adam, Ate the Apple

Deliver in Ancient Lore Finds Evidence Older Than the Bible.

NO MENTION OF ANY EVE

Records in University of Pennsylvania Provide Apparent History of Human Race Back to 14,000 Years Before Christ.

Philadelphia, Pa.—What the discoverer claims to be evidence older than the Bible by two or three thousand years, that woman had nothing to do with the downfall of the human race, was produced by the museum of the University of Pennsylvania in the form of a new set of translations by Dr. Stephen Herbert Langdon.

Doctor Langdon is now professor of Assyriology at Oxford university, England. He was for three years curator of the Babylonian section at the university museum, and while there studied and translated thousands of ancient clay tablets from the ruins of Nippur, in ancient Babylonia.

"Noah Ate the Apple."

The new book is the fourth in a series depicting the religious life of the Sumerians, a mysterious race, the origin of which is unknown, which was finally swallowed up by the later Semites. According to one of the flood stories in the collection Noah ate the forbidden fruit after he had been saved from the deluge.

This salvation was accomplished, ac-

CHILDREN'S CHIMES PLANNED

Every Child in United States to Be Asked to Give Cent for Victory Set.

New York.—Every child in America will be asked to give at least one cent toward the erection in New York of a set of "victory chimes," which will ring out in daily reminder of the sacrifices made by Americans in the war, it was announced by the newly organized Victory Chimes and Carillon association.

The plans call for a series of 48 bells—one for each state in the Union—on which will be played daily a victory anthem composed for children, "The Star-Spangled Banner" and "America." A forty-ninth bell, to be the largest bell in the world, would be sounded only upon the inauguration or death of a president of the United States.

Meets Sister After Years.

Chico, Cal.—After being parted from his sister for a period of thirty years, William Simpson of Virden, Manitoba, Canada, arrived here yesterday to be the guest of his sister, Mrs. L. F. Eggers in Chico. Simpson is accompanied by his wife and son Gordon, who was wounded in action in France while serving with a Canadian contingent of the British army in the world war.

According to the Sumerian version, by a woman deity. There is no mention of any Eve in the story. Clay tablets from which this and other stories are taken are said to be at least one thousand years older than Babylonian tablets.

14,000 Years Before Christ. After the Sumerians had been distinguished in their political power, according to Doctor Langdon, the Babylonians retained the language for ecclesiastical purposes for many centuries, just as Latin is now used in the Roman Catholic church.

The Sumerian records at the university provide an apparent history of mankind back to 14,000 years before Christ, but this is not considered absolutely authentic, because many of the reigns of kings are collateral. The Sumerians believed that the patriarchs, corresponding to those of the Old Testament, ruled before the flood for 360,000 years. According to their story it was 35,000 years after the deluge when Cyrus of Persia conquered Babylonia.

JAZZ MUSIC NOT A NUISANCE

Los Angeles County Judge Refuses to Give Relief to Disturbed Nerves.

Los Angeles, Cal.—Jazz music is not a nuisance, according to a decision by Judge Lewis R. Works, in the Los Angeles county superior court. The city of Pasadena had brought suit against a social club, whose neighbors complained its jazz music "jarred on their nerves."

"Once jazz music might have been construed as a nuisance," Judge Works said. "It is no longer so construed. If the music disturbed the residents of the neighborhood, I am sorry, but this court cannot give them relief."

LESS MEAT IF BACK AND KIDNEYS HURT

Take a Glass of Salts to Flush Kidneys If Bladder Bothered by You.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.

A Missouri Woman's Experience

Vera Cruz, Mo.—"I was in poor health last fall and was not able to do all my work."

I had a dull headache all the time, and my memory was poor. I also had a hurting in my back and one of my legs would take spells of hurting and would feel numb, or dead. I could not sleep good at night—did not eat much and my nerves were in bad shape, so I decided to write to Dr. Pierce, of Buffalo, N. Y., which I did. He said for me to take the 'Favorite Prescription' and the 'Golden Medical Discovery' also some 'Pleasant Pellets' (all of which I got at the drug store) and I soon began to get better. All these symptoms have left me and I feel like a different woman. Am able to do all my work and tend my garden."—MRS. MARTHA JEFFERSON, Box 4.

St. Joseph, Mo.—"I became all run-down in health due to woman's weakness. I was weak, nervous and got very thin. I was so completely cured of this condition that it has never given me any trouble since."

Plan War on France

Germany Said to Be Preparing for Next Conflict.

Time Will Bring on Clash, Is Word of Old and Young of the Nation.

Berlin.—Germany is preparing for its next war. And France is the intended victim. Just when this attack on the French is to take place has not been settled in the German mind—but every German, no matter what his age or station, says that time is coming—maybe in ten years, maybe twenty or maybe thirty.

But even—there is doubt as to the exact time of Germany's effort to avenge the loss of the world war, there does not seem to be felt the least doubt that vengeance will be visited

upon the French and that Germany will be successful in the attempt.

Germany is not forging arms or making munitions with that end in view just now, for that would be impossible. But through propaganda of the most poisonous kind the fire of hatred is being kindled in the German mind.

Every German I met voiced to me his hatred of France. Every misfortune the Germans have met with has been laid to the door of the French. Premier Clemenceau is hated in Germany as no other man ever was. The mere mention of his name brings forth direct threats of what is to happen to France.

The evil propagandist is doing his work well. He is reaching not only the mind of the adult German, but his poison is sinking deep into the mind of the rising generation.

Even young boys give rise to their hatred and tell how, when they grow
